MST4 2005-2008

The Multisports Teamwear products are one-to-one reproductions of articles worn by adidas sponsored national teams during the Olympic Games in Athens. These products are now available for clubs and teams, offering easy fit articles for any sporting discipline, whether its for training or competition purposes.

With the possibilities for club logo printing and various color combinations your team will definitely stand out in the crowd. These products are available up until 2008.
